Vestry Members with Commissions..	11

As we begin the month of February I am very aware of the many, many people who contribute to the life and well-being of Grace Church. Our January Annual Meeting was an opportunity to remind ourselves of the ministries and gifts that make up our life as a parish. We are in a very good and honest place as a community of faith and we have many people to thank for helping Grace flourish. A special thank you to the vestry members who served for four years and are now officially "retired" from their terms: Jim Barry, Sue Cloutier, David Meier and David Hawley-Lowry. A thank you also to the new vestry members who were recently elected and came on board at our recent vestry retreat: Ann Mayers, Tom Kelly, Carol Myers and Paul Trap. We are grateful for your "Yes" to help lead Grace more fully into the mission and ministries to which we are called.

"Thank You!" also to those who are helping us through this time of financial stretch. After a five year process of growing into the canonical mandate, Grace has now achieved our full diocesan apportionment. We have also continued to bring staff salaries to appropriate levels, kept up with rising utility costs and managed to maintain our breadth of educational and outreach programs. Grace has begun to honestly face the challenges of supporting a budget that reflects the levels of activity and facilities with which we have been "graced;" our trims to the budget have, even through these very difficult economic times, been minimal. Through special gifts, or increased pledges or simply by promising "to do whatever we can do" we are making it, and we are thriving. And we are grateful.

As we hear the stories of the season such as the calling of the disciples and the many ways in which Christ was made manifest to the world, Grace responds to the call too, serving the good news and being good news for the world. And later this month we will shift from this season of revelation, callings and light into the wilderness that is the journey of Lent. As you read through this newsletter you'll see not only the celebrations of this season but preparations for the next which begins on Ash Wednesday, February 22<sup>nd</sup>.

This month we say, 'Thank You' and we say 'Join Us' and we celebrate the light that is among us even as we prepare for the next challenging and undoubtedly wonderful steps on the journey.

Peace,

*Jen*

# *Education & Formation / Worship*

**Sundays at 9:15am**

**Lower Level Forum Room**

**Feb 5 & 19 Father Abraham had Many Sons**

**Led by Dr. Boyd Wilson, Professor of Religion at Hope College**

On Sundays, February 5 & 19, Dr. Boyd Wilson, Professor of Religion at Hope College will be speaking in Forum Hour on the Abrahamic traditions, Judaism, Christianity and Islam. Why do these faiths which claim a common origin in Abraham struggle in so many ways to be at peace with one another?

**Feb 12 & 26 Three Faiths, One God: Judaism, Christianity, Islam**

This PBS series by Gerald Krell thoughtfully examines the religious beliefs and practices shared by Jews, Christians and Muslims to illustrate how many in the Abrahamic faith communities are dealing with historical conflicts and charts their dedication to facilitating understanding and respect. This series captures a broad range of voices and ideas of ordinary people and respected scholars in the interfaith field while documenting real-life experiences of war and reconciliation.

## **GRACE YOUTH CHOIR**

The Youth Choir will continue the regular program year with weekly Sunday rehearsals after church. ## Announcements from Children's and Youth Ministries:

### Grace Youth are Planning for Marketplaats 2012

Hey, all you Dutch Foodies! It's time to start planning for the Dutch Food Market at the Civic Center during Tulip Time. As you know, this is the major source of funding for our Youth Mission and Pilgrimage Program. In past years, you all have helped us to raise over \$5,000 per year to help cover the costs of this program.

Thank you. We will have the sign up sheets out beginning February 4<sup>th</sup> in the Commons. There are lots of different ways you can help us, everything from cooking to serving to helping mail letters. You can even sign up to help the Methodist Women to make 500 dozen pigs in blankets!! For those of you who have never done this before, there will be more information available at the sign up table.

We are back to our **"regular program schedule"** after a very busy and exciting Advent and Christmas. Education hour begins at 9:15 in the Undercroft. Our High School / Adult "Crossways" class continues to be a huge success with the lessons focused on Old Testament. Our Middle School Youth and our Elementary class will begin units centered around New Testament for this second half of the program year.

Youth Group had a **GREAT time at the Epiphany Retreat**. This year, they learned about and practiced organizing a U2charist which is a service of worship utilizing the songs of U2. They really enjoyed the experience and are anxious to share it with you all. They are planning for Friday May 17<sup>th</sup> at 8pm here at Grace. Mark your calendars and look for information to come.

This month, the youth will be participating in the **Grace Youth Move-A-Thon**. For the third year in a row, they will move in honor of the Hope College Dance Marathon as a fundraiser for the Helen DeVos Children's Hospital in Grand Rapids. Please look for the youth and help us by pledging your support for children and families in need. Later this month, the youth will spend a day at Pando Mountain skiing, snowboarding, tubing, and otherwise just having a great time in the snow.

Toward the end of the month, we are currently planning a **Mardi Gras party** for our Elementary aged kids for Saturday, February 25<sup>th</sup>. We'll meet from 10-2, learn about Lent, make a pancake lunch, create masks and even have a parade! Look for sign up sheets in the commons!

**Vacation Bible School** is planned for **July 23-26**. Mark your calendar and save the dates! This year's theme is "The Olympics: A Gold Medal for God's Gifts". More information will be available in March. Contact Debbie if you would like to volunteer!

**Time to sign up for the Episcopal Youth Camps!** Don't miss this great opportunity to be a part of an amazing week of formation, fellowship, and fun at Camp Newaygo. Sign up now and save \$50 off the cost and Grace offers some scholarship as well! Senior Camp (9<sup>th</sup>-12<sup>th</sup> Grade) is **June 17-23**, Middle School Camp (6<sup>th</sup>-8<sup>th</sup> Grade) is **August 5-11**, and Junior Camp (3<sup>rd</sup>-5<sup>th</sup> Grade) is **August 12-18**. You can register online at the EDWM website or by contacting Debbie at the church or at [debcoyle@gmail.com](mailto:debcoyle@gmail.com).

It's not too late to join in the fun! Come and see!!!

# Wednesdays in Lent

## Eating and Praying Together Wednesdays in Lent

**Holy Eucharist with the Imposition of Ashes at 7:00pm in the Sanctuary**

**Mid-Lenten Wednesdays: February 29 through March 28**

**Supper at 5:45pm and Holy Eucharist at 6:30pm in the Undercroft**

**Book Discussion at 7:00pm in the Forum Room led by Jen Adams on Mudhouse Sabbath: An Invitation to a Life of Spiritual Discipline, by Lauren Winner.**

After her conversion from Orthodox Judaism to Christianity, Lauren Winner found that her life was indelibly marked by the rich traditions and spiritual practices of Judaism and so she set out to discover how she could incorporate some of these practices into her new faith. She writes, “Spiritual practices don’t justify us. They don’t save us. Rather, they refine our Christianity; they make the inheritance Christ gives us on the cross more fully our own. . . Practicing the spiritual disciplines does not make us Christians. Instead, the practicing teaches us what it means to *live* as Christians. . . The ancient disciplines form us to respond to God, over and over always, in gratitude, in obedience, and in faith.” Come explore practices such as prayer, fitting food, mourning, candle lighting, aging, fasting, wedding, door posts, and hospitality this Lent.

*Suggested donations for supper are \$5 per person & \$15 per family.  
Cost of the book if able is \$12.00*

**Wednesday of Holy Week, April 4<sup>th</sup>**

**Snacks and Conversation 5:30pm**

**Pizza and Movie at 6:00pm**

**Jesus of Montreal:** A modern-day Passion Play becomes a reenactment of the life and death of Jesus Christ in more ways than one with this critically acclaimed drama from Quebec filmmaker Denys Arcand. Lothaire Bluteau stars as Daniel Colombe, an intense young actor in Montreal who is hired by church fathers to restage and update the city's annual Passion Play, which over the course of the past 40 years has begun to seem hidebound. Daniel hires a group of struggling young actors that become devoted to him and his creative vision as he devises an extremely avant-garde production that takes Christ's rebellious teachings literally. . . Real life begins imitating biblical events as the actors lives begin to mimic the roles they play and the story unfolds.”

### **PARKINSON'S SUPPORT GROUP AT GRACE:**

If you are living with Parkinson's disease (or know someone who is) consider the newly founded Grace Parkinson's Support Group as a place to find companionship, encouragement and support on the journey. The group will meet next on **Wednesday, February 15th** in the Commons.

Contact the Church Office, Rev. Jen Adams or Tom or Tammy Kelly if you are interested in joining.

### **ST. MARY'S GUILD**

St. Mary's will meet on **Monday, February 13**, at 7:15 PM in the Forum Room (probably, but watch for changes.) The presenter will be Eldon Greig who will speak on Michigan birds and their habits. Everyone welcome!

Hostesses are Jill Mendenhall and Katie Verspoor.

Mark your calendar!

### **MISSION TRIPS 2012**

Consider taking part in one of the Diocesan Mission trips this year. In taking part you will gain as much as you give!

We will be returning to Pine Ridge, SD, - the Oglala Sioux Lakota Nation Indian Reservation. Father David Brower and Gerry Cawthra, will be the leaders for this mission trip. A few Grace parishioners have shown an interest, and we would like to have others join us. The dates are August 11 to August 17 – leaving the 10<sup>th</sup> and returning home the 18<sup>th</sup>. It can get very hot at this time of year, but others have done it and so can we!

The other trips will be to the Appalachian Mountain area of Kentucky in the fall, and probably to New Orleans and/or the Gulf Coast area. As soon as I know the dates for these trips, I will publish them.

It is not necessary to have any certain skills – jobs can be found for everyone. Please think about it.

## Feeding America

Mark your calendars for our upcoming Feeding America dates:

**February 9th** and **March 8th**. We need folks to arrive between 4:30

and 5:00 to help with set-up and to welcome our guests. Also, remember the ongoing need for *laundry detergent (see special request) and toilet paper!* You can bring these items at any time and deposit them in the labeled drawers in the Commons. With a little corporate help we have managed to regularly distribute these items to each family. Good job Grace!

***Special request:*** We appreciate the many laundry detergent donations we receive, but if possible, please keep the bottles under 70oz. for ease in distribution.

## A Recent Letter from Community Action House to the people of Grace

For a moment, please share with me in the many bright smiles and warm words of appreciation spoken by the people we help at Community Action House. The generous donation you have lovingly given allows us to bring hope and joy into the lives of our neighbors who we serve throughout the year.

I would love for you to pass along my heartfelt *'Thank You'* to those at Grace Episcopal Church who helped make your 2011 Community Action House Holiday Drive donation possible. I hope you can agree with me that . . . it is not those who have much, but rather those who give much, who are truly rich.

Thank you for your caring, servant heart. I wish you a blessed and prosperous New Year!

## From Fellowship:

The Fellowship Committee is working on an exciting new event. We hope to sponsor an Art Stroll this coming April. We are blessed with beautiful artwork throughout our building; we have stained glass windows and many beautiful pieces of artwork. We will have an open house with a wine and cheese reception. We will have members of the church lead groups through the building and explain the background of the windows and the artwork. We would also encourage members of our church to bring in their artwork to display and possibly to sell. Rev. Jen is open to displaying her vestments for the evening. The Art Stroll would be open to the public and we would encourage members to bring their friends. Watch for further updates as the date approaches.

If you have suggestions or would like to help sponsor this function, contact a member of the Fellowship Committee:

Sue Cloutier – Chairman, Robbie Schorle, Gerry Cawthra, Cathy deVelder, Eve Shetterly.

## Bits and Pieces

Congratulations to Warwick Barlow who graduated with a Bachelor of Business Administration in Finance and Commercial Law from Western Michigan University on December 17, 2011.

The Drew Family (Pamela and Drew) would like to commend an idea that has become a practice of theirs. For birthdays and anniversaries they ask friends and family to not give them personal gifts but to give instead to particular charities of their choosing. Two favorites of theirs are the National Wildlife Federation and Grace Episcopal Church! They'd like to encourage everyone to consider this approach to gift giving and receiving. Talk with them about this practice if you'd like more information. [pedrew4@yahoo.com](mailto:pedrew4@yahoo.com)

### Special Christmas Joy for Grace Families

This year our Star Tree continued its very special mission - to bring joy and surprises to the two families who live in our Grace houses and are mentored by a team of parishioners. Each member of the families living in the Grace homes (kids and adults) made up wish lists which the middle school Sunday School class transferred on to the paper stars which they then hung on the Commons Star Tree. Then all of you shopped, brought the gifts in and we had an intergenerational wrapping fest on Advent IV. As a special treat, the high school youth decorated and filled stockings for each family member too. The youth of the church were very active in designing and setting up the Star Tree in the Common and in helping with shopping that needed to be done.

The response from the congregation was wonderful and these families were very grateful to receive such great gifts like art supplies, clothes, boots, tools and even bikes! And watching our own young people have the experiences of doing for others was also magical. They were so excited to wrap and deliver the gifts. The smaller ones carried bags nearly as big as they were and the older ones helped the younger ones so lovingly - the pictures from the wrap fest are wonderful. We also took special care this year to make sure that Santa was able to bring gifts to each home too. The parents guided us as to how Santa presented the gifts and they were all very pleased and grateful for the joy and generosity Grace showed in the giving. Thanks so very much to all of you!

## *Stewardship – Taking Grace Green*

### **From Taking Grace Green**

#### **Blink . . . Coopers Hawks Flying Above**

On a summer evening several years ago I was sitting on the patio behind our home enjoying the weather. I was facing the line of tall trees behind our back fence . . . about a hundred feet away.

I blinked and saw a blur. It looked like a hawk but it was gone. I guessed I had imagined the sight.

After a few moments I blinked and again saw a blur. Sure looked like a hawk but again the space above was empty.

Then I focused my sight high in the trees and, after a moment, a Coopers Hawk flew straight out of the trees toward the house, turned and flew back into the trees. Then it happened again. And again. And again.

I realized I was watching one of the wonders of nature. Two adult Coopers Hawks were teaching their children to fly. And, unlike smaller songbirds, they were teaching, and their young were learning high above the ground in the yard. I sat looking at the tree line and knew I was privileged to be witnessing this special event.

The Coopers Hawks continued for a period of time then apparently settled in for the night. I knew the flight training was important to the young hawks. We had watched Coopers Hawks in our area for years. They fly in a stealth motion through the trees and along the bushes looking for prey so they can eat and live.

Seeing how their parents were training them to fly and survive awakened my senses and awareness. Now I spot them easily . . . blink . . . that was a Coopers Hawk.

It is always a fun to see them, and while we hate to lose any of the songbirds in our yard, we know these hawks play an important part in keeping the songbird population strong and healthy. Each has its role. Each is beautiful to behold.

The natural world is full of great beauty. If we open our senses we will be treated to some amazing things and enjoy the rewards they bring with them. And we will be better for the experience.
