

Step by Step Instructions for Facebook Live

We have been using Facebook Live for Noonday Prayer offerings and Sundays too (at least for now.) We figured that if a few people had questions, there are probably others who might need some tips. See below tips from Mary Miller!

Also, while you're on the Grace Facebook Video page, you'll see past Live videos as well as the current one. Those will remain, so you can look back and watch past live videos whenever you'd like. Also please SHARE Grace Videos to help others see them too!

Hang in there everyone. Steep learning curve for us all on so many fronts. Do NOT hesitate to email the church office with questions if you have them. We're in this together!
