

HOW TO GIVE TO GRACE

Grace Episcopal Church is looking forward to and planning for 2022 and all the blessings and hopes for a new year. In support of the mission and ministries of this congregation, we ask members and friends of Grace to offer a financial pledge.

Here are the many ways you can give to Grace:

- **Bank Transfer by Auto-Debit (Electronic Funds Transfer)** – This is an electronic funds transfer (EFT) that is automatically performed either monthly or semi-monthly. Based on your 2022 annual pledge amount, you authorize how much and how often to send your pledge payment for the entire year. This is a bank to bank transfer from your checking or savings account directly into the Grace Episcopal Church checking account. It is the easiest and most economical for Grace Church and best of all, no checks to write. You provide your account information to the Grace Finance Manager who will set up the automatic debit for you.
- **Bank Transfer by Auto-Payment** – This is an automatic electronic check (ACH) that you authorize with your bank or brokerage account manager. You request how much and how often to have them send a check to Grace Episcopal Church based on your annual pledge amount.
- **PayPal Payment** – This is a form of electronic payment from a third party. You may pay from your bank account or credit card and you can set up a single pledge payment or have PayPal automatically perform a recurring donor payment. For convenience, a PayPal “GIVE” button is located on our web page at www.graceepiscopalholland.org.
- **Check** – Checks made payable to “Grace Episcopal Church” are always welcome.
- **Stock** – Periodic stock transfers to our Edward Jones Account may be used as your annual pledge payment. Contact our Finance Manager for further information.

Please consider joining many others in giving through Bank Transfer by Auto-Debit (EFT) or Auto-Payment (ACH) option. If you are already giving in this way, simply indicate on the pledge card that you wish to continue. The convenience of EFT and ACH giving allows us to be more accurate in planning and consistent throughout the year.

Per banking regulations, your EFT deduction can be stopped with a written note from you if the need arises.

As always, your contributions and personal information will be handled with absolute confidentiality. Please contact the church office by phone (616-396-7459) or email: finance@graceepiscopalholland.org if you have any questions
