

GRACE EPISCOPAL CHURCH
2024-2025 ADULT SPIRITUAL FORMATION

“GRACIOUS HOPE” FALL FORUM SERIES

Join us in this season of reflection, discovery, growth, and discernment as we gather once again for the Adult Forum series and explore the theme **“Gracious Hope”** with one another. In the midst of busy schedules, changing landscapes, new dimensions, and of course the ever-looming election, what does it mean to be a people of **Grace**, a community of **Hope**, and a witness to the liberating works of **“Gracious Hope”** in our local, regional, and global community.

All are welcome to join in our weekly gatherings at noon in the Forum Room where we will explore these themes as they relate to every aspect of our living. From democratic engagement to diocesan involvement, multigenerational gatherings to exploring the very areas in which generations diverge and converge alike, the 2024 Fall Forum Series is sure to be filled with rich connections, community, and **“Gracious Hope.”**
